

# 2026 Community Needs Assessment Survey

*We Want to Hear From You!*

SMTCCAC is asking community members, partners, program participants, and residents of Calvert, Charles, and St. Mary's counties to complete the survey.

Your feedback will help guide future planning, strengthen local services, and support programs that better reflect community needs and priorities.

## Topics May Include:

-  Community challenges and priorities
-  Housing, employment, and education needs
-  Health care and support services
-  Transportation, food, and childcare needs
-  Ideas to strengthen programs and partnerships
